Please list all products you hope to sell at the market. Please include the following information: 1) type of product, 2) address where grown or produced if different from above address, 3) quantities – can be given in approximate acres, row feet, animal numbers, processed product amounts, etc.

If offering an agricultural product, please explain how you apply environmentally sustainable agricultural principles to your farming operation. Please specify your methods in regard to soil building, insect control, weed control, and disease control. For livestock, please describe your housing, confinement, and pasturing methods, as well as feed provided and use of hormones and antibiotics.

If not offering an agricultural product, please explain how you use sustainable methods in your operation (i.e., local products, etc.). You may use an additional page if necessary

If you participated in the 2017 Brighton Farmers' Market you may leave this portion blank if your growing practices are unchanged.

The market is held Sundays, from November 26, 2017 through May 6, 2018 at Brighton's Brookside Community Center, 220 Idlewood Road, Rochester, 14618, from 1 to 4 pm. Market will not be held on December 24, December 31, or April 1. Set-up begins at noon. The vendor fee will be \$15 per market session, or \$300 for the entire season. Checks may be made payable to Town of Brighton and mailed to Brighton Recreation and Parks Dept., 220 Idlewood Rd., Rochester NY 14618. All insurance documents and required permits should also be mailed to this address.

Please indicate your plans for attending the market if you are accepted. _____

If you are selling prepared foods, meats, cheese, baked goods, or other foods requiring permits, please provide any required permits/licenses or certificates from New York State or Monroe County. If you are selling plants, cut flowers, or other taxable items, please provide a copy of your New York State sales tax certificate.

All vendors must provide proof of product and general liability insurance, with coverage of at least \$1 million. The Town of Brighton and Brighton Central School District must be named as additional insureds on the policy; addresses are below.
